

ICS PRESCHOOL HANDBOOK

Philosophy and Goals of the Preschool Program

As a Catholic school, very basic religious concepts such as loving our families, our friends, all living things, and ourselves will be incorporated into the curriculum. Taking care of God's earth and gifts He has given us will be an integral part of the child's learning environment. A Catholic preschool program that operates within a parish day school provides continuity for the child, fosters a smooth transition to kindergarten, and enhances parish family life.

The first years of life are of vital importance to a child's growth and development. Foundations are laid which influence the ability of a child to accept himself, to relate to others, and to respond positively to the environment. Family relationships provide a young child with the best model for developing attitudes, values and appropriate behavior. Parental involvement is strongly encouraged in our program. Interactions with other adults and children are extremely important and promote ways for a child to relate to the world around him.

Participation in a Catholic Preschool Program helps the child:

- Develop a positive self-image and acknowledge his self-worth.
- Develop basic social skills.
- Increase independence.
- Develop a trust in adults other than his parents.
- Enjoy being part of a group and begin to accept the need to share and cooperate.
- Respect the rights of others and defend their rights.
- Develop the desire to learn.
- Become aware of the fact that he is a child of God and will grow in His love.
- Develop good listening skills, and encourage creative development, and problem solving.
- Enhance physical growth and development.

Admission and Placement Procedures and Requirements

In accordance with Christian principles, Immaculate Conception School recruits and admits students of any race, color, or ethnic origin to all the rights, privileges, programs and activities. In addition, the school will not discriminate on the basis of race, color, or ethnic origin in administration of its educational policies, scholarships, loans, athletics, fee waivers or extracurricular activities. In addition, the school is not intended to be an alternative to court administrative agency ordered, or public school district initiated, desegregation.

Immaculate Conception will not discriminate on the basis of race, color, or ethnic origin in the hiring of its certified or non-certified personnel.

Any child who turns three years old on or before August 1 of the current school year and who is potty-trained will be eligible for enrollment in the current school year.

Enrollment in our preschool program is viewed as the entry into Immaculate Conception School. You are invited and encouraged to continue your child's education at Immaculate Conception through eighth grade.

A collaborative effort will be made to find a learning environment best suited to meet the child's needs.

Schedule

Classes are scheduled Monday through Friday from 8 am to 10:30 am. An afternoon class may be added should enrollment warrant a second session. The afternoon class would be scheduled from 1:15 pm to 2:45 pm. Parents may request enrollment for two, three, four or five days each week.

Extended Day

Extended Day is available in the morning from 6:30 am to 8 am and from 10:30 am to 6:00 pm. Preschool Extended Day takes place in the preschool room; preschool students will be kept separate from Extended Day students in kindergarten through grade eight.

Staff/Student Ratio

Immaculate Conception School observes the following staff/student ratio according to the Ohio Department of Education guidelines:

Three year olds — One adult: 12 students --- No more than 24 students will be assigned to any one class.

Four and five year olds — One adult: 14 students --- No more than 28 students will be assigned to any one class.

Curriculum

The Immaculate Conception preschool curriculum is aligned to the Ohio Department of Education Content Standards and the Diocese of Toledo Courses of Study, and supports development in all domains of learning (cognitive, language, social, emotional, physical) and supports learning in the content areas of language and literacy, mathematics, science and social studies. *The Creative Curriculum* has been adopted as it balances teacher-planned and child-initiated learning, emphasizing responsiveness to children's strengths, interests, needs, and learning styles. Nationally known for being forward-thinking, comprehensive, and rigorously researched, *The Creative Curriculum* helps teachers plan and implement content-rich, developmentally appropriate programs that support active learning and promote children's progress in all developmental areas.

ICS PRESCHOOL HANDBOOK

The curriculum for religion is the *Catechesis of the Good Shepherd*. This curriculum seeks to give children the guidance and vocabulary to enable them to become aware of their relationship with God and give expression to it. With the *Catechesis of the Good Shepherd* we help each child to continue to fall in love with God while building community among peers.

Children explore the fundamental theme of covenant, God's call and our response, as reflected in the Bible and as lived in liturgy. 3-6 year-olds have the capacity to receive and enjoy the most essential elements of our faith: the mysteries of the Kingdom of God, the announcement of God's love given for us in the person of Jesus, the Good Shepherd.

Arrival, Dismissal and Absentee Policy

Arrival: An *adult* must only accompany children to the classroom door. It is important for all children to arrive by 8 am to insure that each child will receive the benefits of the entire class time.

Dismissal: The parent or authorized adult must go to the classroom at the end of the session to pick up the preschool student. If any person other than the parent is to pick up a student, his name must be on file with the teacher or the student will not be released to that person.

Absence: The Missing Children's Act requires all parents to notify the school when a child will be absent. Parents should notify the school by hand-written note or phone call to the school (419.483.6066) before 8 am.

Parent Notification Procedure

- **Illness/injury:** A parent will be notified immediately of any illness or injury requiring professional medical attention. If a parent cannot be reached, the emergency contact person will be notified. 911 will be called if an illness or injury requires immediate professional medical attention.
- **Crying:** We know how difficult it is to leave a crying child. Please know that we will notify you if your child continues crying for a prolonged period of time. We want your child's experience at Immaculate Conception Preschool to be a happy one and we will work together with you to make that happen.
- **Biting:** Parents will be notified of any child exhibiting biting behavior. At the third biting offense, the parents will be asked to remove that child from class for two weeks or until such behavior ceases.

Guidance and Management Policy

ICS PRESCHOOL HANDBOOK

Discipline is a way of teaching proper behavior, not punishing improper behavior. At Immaculate Conception Preschool, rules will be simple and discipline will be positive, specific, and consistent. If a child's behavior is not suitable for a particular activity, he or she may be redirected to another activity. An uncooperative or disruptive child may be removed from a situation by further redirection. In extreme cases the child may be required to sit alone in a designated area of the room for a few minutes to think about and observe appropriate behavior. As a last resort, the child may be removed from the classroom and sent to the office for a short period of time. These behavior management techniques are employed by all staff members. If all efforts to promote productive behavior fail, a conference with parents will be requested. The preschool teacher sets reasonable limits and maintains them consistently.

Child Abuse Policy

The employees of Immaculate Conception School are required by law to immediately notify the local public children service's agency when it is suspected that a child has been abused or neglected. All information will be kept strictly confidential.

Safety in the Classroom

The child care staff member in charge of a child or group of children shall be responsible for their safety. No child is ever left alone or unsupervised. A child will never be released to anyone other than his/her parent or guardian unless the teacher has received written permission from the parent or guardian. Once all children have arrived for school, the exterior doors to the school will be locked until dismissal. A Custody Agreement must be on file for those children to which it applies.

Immaculate Conception School will not transport a child to the source of emergency medical or dental care. The Bellevue Hospital and parents will be called in the case of extreme emergencies. Parents will be called for minor emergencies.

Safety Rules

For the safety of each student at Immaculate Conception School, the following rules have been established:

- No child will ever be left alone or unsupervised.
- No child will be allowed to cause bodily harm to other children.
- A teacher or aide will be with the children during arrival/dismissal times.
- No child will be released to a person not authorized by a custodial parent or guardian. We must have a written authorization to allow an adult who is not the custodial parent or the legal guardian to pick up a child.
- Emergency numbers are posted by the telephone, along with the fire emergency and weather alert plans.
- Monthly fire drills are conducted and a record of these is kept at school. All exits are marked and a fire alarm system is in working order.

- There shall be no cruel, harsh, corporal punishment or any unusual punishments such as but not limited to punching, pinching, shaking, spanking or biting.
- No discipline shall be delegated to any other child.
- No physical restraints shall be used to confine a child by any means other than holding a child for a short period of time, such as in a protective hug, so the child may regain control.
- No child shall be placed in a locked room or confined in an enclosed area such as a closet, a box or a similar cubicle.
- No child shall be subjected to profane language, threats, derogatory remarks about himself or his family or other verbal abuse.
- Discipline shall not be imposed on a child for failure to eat, failure to sleep, or for toileting accidents.
- Techniques of discipline shall not humiliate, shame, or frighten a child.
- Discipline shall not include withholding food, rest or toilet use.
- Separation, when used as discipline, shall be brief in duration and appropriate to the child's age and developmental ability and the child shall be within sight and hearing of a preschool staff member in a safe, lighted and well-ventilated space.
- The school shall not abuse or neglect children and shall protect children from abuse and neglect while in attendance in the preschool program.

The current preschool discipline policy is handed out and explained to parents/guardians at the parent orientation at the beginning of the school year or upon entrance into the preschool program. Classroom rules and policy procedures are posted in the classroom.

Snacks

Parents will provide the snack. A snack calendar will be sent home each month with the days each parent is asked to provide a snack. Please notify the teacher if you are unable to provide a snack on your designated day. Snacks should be store bought and brought to school in an unopened package. We ask that snacks be healthy and safe choices for the preschool child. You might consider snacks such as raisins, cheese, crackers, pretzels, individual applesauce, grapes, apples (these must be cut up at school), yogurt, and so forth. No snack which has been prepared at home can be given at school. Drinks may include any type of juice or milk that has been unopened. Please take home any uneaten snacks and drinks.

ICS PRESCHOOL HANDBOOK

Please check with your child's teacher for food allergies before bringing a snack for the first time.

Communication

The faculty and staff of Immaculate Conception School believe that communication between home and school is of utmost importance. Most information important to you and your child from the teacher or the administration will come home via email and/or written communication through your child. A weekly Immaculate Conception School Newsletter will be sent via email. You are asked to check your email and your child's backpack daily for newsletters and special information. If you do not pick up your child, please ask whoever does to check your child's backpack as well. It is our intention to post all school information to our website www.icssaints.org as well. This handbook, as well as the calendar and updated information can be found on the Immaculate Conception School website.

Please keep the preschool teacher and the office advised of any changes to your child's circumstances including your address, phone and email changes.

Progress Reports and Conferences

The preschool teacher performs ongoing assessments by observing preschool students within the learning centers and in other daily activities. These assessments are a record of their progress and development. Full reports on your child's progress are given in November and June. After the first report, all parents meet with the coordinator to discuss their child's progress. A second conference will be held in the spring. The dates for these conferences are on the preschool calendar; parents will be notified well in advance of their conference date and time. Individual conferences will take place as needed throughout the year and can be requested by either the parent or the teacher.

Procedure for Emergency Situations

Fire Drills are practiced at regular intervals as required by law and for the safety of all children and adults in the building. Preschool children will be escorted to the main parking lot by the preschool teacher. The preschool teacher will account for each student.

Lockdown Drills are required by law. The preschool teacher will follow the lockdown procedures when directed to do so. During Lockdown, students are directed to position themselves in an area in the classroom that is not visible from the windows. Preschool students will be engaged in quiet activities led by the teacher. The doors to the classroom will be locked from the outside. Students remain in Lockdown position until the signal is given from the main office.

Evacuation Drills are required by law. At the signal for all classrooms to evacuate, teachers will direct students to the prescribed area as quickly as possible. In the event that a real emergency occurs and evacuation to another location is necessary, parents/guardians will be notified as to

ICS PRESCHOOL HANDBOOK

when and where they may pick up their child. The preschool teacher will be responsible for each preschool student until the student is picked up.

Tornado drills are required by law and are held in the spring. The goal of a tornado drill is to move all students and staff to assigned safe areas. The preschool teacher will account for and be responsible for each preschool student during the drill.

If there are injuries during any of the above situations, students and staff will be triaged by the school nurse and given first responder care. If warranted, a parent will be notified.

If an early dismissal is required, the preschool teacher is responsible for recording student names as they leave with parent/guardian.

Illness, Communicable Diseases and Emergencies

The Communicable Diseases Chart published by the Ohio Department of Health is posted in the classroom. Staff members have completed the Red Cross Courses on Communicable Disease, First Aid and Child Abuse Prevention.

A staff member who is ill or becoming ill will be sent home and a substitute teacher will be contacted to replace her. If a child has or develops any of the communicable disease symptoms during class, parents will be notified and the child will be isolated in the school nurse room until the parent arrives.

Please contact the school if your child has a communicable disease so that we can notify other parents that their child may have been exposed to the illness. A child may return to school upon verification from the parents that the child has been free from the communicable condition for a 24 hour period, or in accordance with the minimum control standards listed on the Communicable Disease Chart posted in the classroom.

In case of an emergency, an attempt will be made to notify the parents and action taken according to instructions given by the parents on the emergency sheet.

Medication, either over-the-counter or prescriptions will not be administered by any staff member.

When Problems Occur

We at Immaculate Conception Preschool have your child's best interest at heart at all times. Many problems can be avoided when caring adults communicate openly. Even so, at times problems can occur. When they do, most problems can be resolved when parents and teachers work together for the sake of the child.

With this in mind, it is our policy that at any time your child's teacher feels the need to discuss a problem she will contact you as soon as she is able. Problems should never be discussed in front of a child or another parent, so *a phone call or private conference will be employed.*

Should you have a problem or question about the school, a teacher, or school policy please follow these steps until you receive a fair resolution:

- First, ask the teacher for a private conference or phone call to discuss the issue.
- Next, if the problem is not resolved, discuss the problem privately with the principal.
- If the problem still is not satisfactorily resolved, discuss the problem privately with the Immaculate Conception Parish pastor.
